If you have any food allergies or special dietary requirement, please inform us prior to ordering. We will do our best to accommodate your request and take every step we can to minimise cross contamination of food allergens. Due to the nature of our restaurant meal preparation, we however are unable to guarantee the absence of all food allergens from our menu items. Please note, MSG is not used in our food preparation. However, the presence of this ingredient in some of our commercial sauces is unfortunately unavoidable, Thank you.
